

Awards and Accolades Won by St. Froebel School

A special assembly was organised in school to applaud the students, principal and teachers who brought laurels to the school. The entire school was immersed in an atmosphere of gaiety. It was indeed a matter of pride for all Froebelians when principal and teachers received various awards from different organisations. Two Maths geniuses of the school, Keshav Arya and Divya were applauded for getting special prize in maths. Nikita Bhutani of class X-A won second prize for her research paper in maths in inter school science and maths festival organised by St. Marks School.

The principal of the school, **Dr. Ragini Kaul** was awarded coveted **Excellence Award** for her contribution in the field of education by **Heart Care Foundation of India**. The award was conferred by **Controller Examination of CBSE Mr. Sanyam Bharadwaj**. The school was awarded with the prestigious **National Teaching Excellence Award 2018** by the **Board of Governors of Educational Standards and Testing Council of India and Confederation of Indian Universities**. The award was conferred upon St. Froebel School, its chairman **Mr. Sanjay Tyagiji**, the principal **Dr. Ragini Kaul**, five teachers and students in the presence of the chief guest, **honorable Governor of Tripura Prof. Kaptan Singh Solanki**.
