

## Diwali Fervour: Lights Up St. Froebel

Diwali was celebrated with much exuberance by the tiny tots at St. Froebel School. Dressed in vibrant colourful outfit with a cherubic smile, the children looked adorable. They gave the message of green Diwali through the skit presented by them. Teachers made colourful Rangoli patterns and decorated the classrooms with strings and diyas. The principal Dr. Ragini Kaul extended her heartiest greetings and shared guidelines for being safe.
