

## FROBELIANS WINTER WARMTH

*“Giving is not just about making a donation. It is about making a difference” - Kathy Calvin*

With this cognizance, SFS endeavours to sensitise the students about the relevant social issues that need to be addressed. In partnership with HT Pace and Godrej, the school actively participated in woollen collection drive. The principal, students and teachers came forward to share their warmth with less fortunate counterpart. The students especially learnt some important life lessons around compassion, empathy and joy of giving. Their response and urge to serve humanity was infectious. The school donated 1500 woollen clothes to the needy thereby exhibiting the strong bond and affinity with the underprivileged. The beautiful and empathetic experience will definitely inspire and encourage them to carry forward the legacy of philanthropy in future
