The much awaited summer vacation is here again.

- The school will close for summer vacation from 22 May 2023, Monday (For classes PS to IX & XI)

The very thoughts of summer vacation remind us of the leisure time to escape from monotonous life and take refuge amidst nature far away from the hustle bustle of cosmopolitan culture.

There are plenty of ways your ward can spend the vacation which can be fun and relaxing. We wish our students spend their time in fruitful manner making optimum utilization of time, following their heart's passion. Let your ward explore and enjoy the wonders of nature. Let your child explore the wilderness and discover flora and fauna of the place you visit during the vacation. Let your ward discover different cultures, traditions, cuisines, local craft etc.

Encourage your ward to pursue new hobbies, play games, learn to play instruments, try his/ her hands at writing poetry or a blog, pick up culinary skills, read books, etc.

Encourage your ward to spend some quality time with the extended family to make him/ her realize the importance of family.

The school has devised creative holiday homework that is linked to the curriculum. Do monitor the progress of your ward in completing the task.

We wish you and your ward a rejuvenating and refreshing vacation.
