## REMINDER FOR ATTENDANCE

Dear Parents

Greetings!

Attending classes regularly is an integral part of every student's life. This inculcates discipline and regularity in a student, which in turn inculcates moral values and holistic education.

It has been observed that many students are not at all regular in attending classes. We would like bring it to your kind notice that students who will not have at least 75% of attendance by the end of the term will not be allowed to write their final exam. Hence you are requested to encourage your ward to attend the classes regularly

Thanks

Principal
