Dear Parents

As per CBSE guidelines students in class VI to VIII are required to study Three languages. English is the first language and Hindi is the second language.

The school offers French, German and Sanskrit as options for the third language. All students will have to opt for any one of the three.

You are requested to mark the preference for the third language in the form appended below. French and German require proficiency in English. Therefore, along with your preference, the criterion of grades obtained in English language (B<sup>+</sup> 70% -79%) in the 1<sup>st</sup> semester will also be considered for allotment of German and French as the third language. The final decision will rest with the Principal and the English teacher. The request for change in language will not be entertained once allotted.

Kindly upload the scanned copy of the form on Edunext Portal latest by 19 February 2022
